INVITATION TO VISIT

FOREIGN TRADE UNIVERSITY

Welcome to Foreign Trade University!

As the President of Foreign Trade University, I am delighted to invite you to join me in becoming a part of this exciting community. Established in 1960, Foreign Trade University has been a vibrant hub for talented students, professors, and scholars to study, teach, exchange, research, create, and contribute to radically transforming lives and inspiring innovation.

With three campuses across the nation, our talented faculties and staff are providing educational opportunities for almost fifteen thousand students.

Foreign Trade University has achieved high international renown and standing within a wide range of areas – from economics and business, to law and foreign languages. In an international environment at Foreign Trade University, there is an astonishing diversity of flexible and broad-based programs offered in different languages coupled with leadership which nurture and prepare our versatile, creative, socially competent students for an increasingly globalized world. Foreign Trade University is also proud of our global alumni, who have studied with us and are achieving success all over the world.

As the President, I intend to build on the successes of the last 60 years to ensure that Foreign Trade University is an innovative and unique center of knowledge, which is committed to academic excellence, and to set our sights higher in the world. I would like to promote activities that facilitate cooperation between academia, government, and the business community and turn Foreign Trade University into a national and regional hub for generating, sharing and utilizing cutting-edge ideas and knowledge.

It is a privilege to lead this institution and to call Foreign Trade University home. I invite you to join us and experience all we have to offer and share in our dreams for the future.

Assoc. Prof. Dr. Bui Anh Tuan
President

FACTS & FIGURES ABOUT FOREIGN TRADE UNIVERSITY

GEOGRAPHIC FOOTPRINT

Foreign Trade University (FTU) was established in 1960. The first campus is located in Hanoi, Vietnam and is followed by two other campuses in Ho Chi Minh City and Quang Ninh province.

HA NOI CAMPUS

HO CHI MINH CITY CAMPUS

QUANG NINH CAMPUS

Located in Hanoi - the capital city of Viet Nam, the campus offers the conveniences to explore fascinating attractions, ancient buildings, typical Vietnamese cuisine, street food, local stores and lovely little coffee shops. With the population of about 10 million, Hanoi is an exciting place to live, work and study. In addition, Hanoi is close to many famous sight-seeings such as Ha Long Bay, Sapa, Ninh Binh. It can be said that Hanoi is a city with outstanding historical places like Hoan Kiem Lake - the symbol of the City, unique One Pillar Pagoda in the heart of Hanoi, Temple of Literature with thousands of years old. The Oriental culture diversity and lifestyle of people would provide international students with valuable and distinctive opportunities to discover.

FTU's the second-largest campus is located in Binh Thanh District, which borders District 1, the centre of Ho Chi Minh City. Ho Chi Minh City, formerly known as Saigon, is the centre of commerce, finance, culture and tourism of the South and Mekong Delta. It is a young, busy and vibrant city. The City is famous for its bustling metropolis crowded with bikes, motorbikes, numerous shopping areas and streets lined with nice restaurants and sidewalk cafes. There is a combination of neoclassical and international architecture style in this place. It takes about 2 hours to fly from Hanoi to Ho Chi Minh City. The campus offers a stimulating teaching, learning and research environment. The neighborhood provides complete services for living including bookshops, banks, bakeries, post offices, theaters, cinemas, convenience stores, etc.

Quang Ninh Campus is established in 2009, spreading over 60,000 square meters and not far away from the centre of Quang Ninh Province. It is a community with residential college-style accommodation and facilities including nature-friendly dorms, Hanoi Campus linked - library, lecture halls, café and gym. Quang Ninh Province is mountainous and coastal, with more than 80 percent of its area being made up of mountains and hills with abundant land, forest water and mineral resources. It is situated in the northern Vietnam and has easy access to Hanoi by train or coach. The Province is most famous for its beautiful beaches and natural beauty spots such as Ha Long Bay, Bai Tu Long Bay, Tra Co Beach, Co To Beach, Dai Beach. Besides, a diversified ethnic population with 21 groups and the historical, architectural relics also make Quang Ninh a special place.

VISION, MISSION,

CORE VALUE & QUALITY POLICY STATEMENT

MISSION

To serve the society with excellence in education, knowledge creation and transfer.

QUALITY POLICY STATEMENT

FTU commits to provide learners with fundamental - open - flexible training programs, linking to practice with a dynamic learning and training environment, helping learners to maximize their personal capacity, adaptability and innovation. Furthermore, the University pledges to provide for businesses, governance, organizations and individuals with consulting services, transferring up-to-date and highly applicable knowledge. Last but not least, FTU is focusing on undertaking practical social activities to serve the community.

VISION

Our vision is to become a leading innovative university, ranked among top Asian universities.

FACILITIES

LECTURE HALLS AND CLASSROOMS

A 12 - storey building consisting of modern lecture halls and classrooms are ready to serve students and lectures

VJCC BUILDING IN HA NOI CAMPUS AND HO CHI MINH CITY CAMPUS

VJCC Building meets all Japanese technical standards with a 300-seat multimedia conference room, a modern library, and a computer room.

LIBRARY IN 3 CAMPUSES

The library is equipped with a 4.0 Ilib software and 4.0 modern equipment such as computers, a network printer, a color printer, a bar code printer, a scanner, a bar code reader, and a photocopier.

COMPUTER ROOM

The computer lab is equipped adequately with high-quality devices. It is where competitions are organized and where students study and do research

SPORTS FACILITIES

Aside from the sports facilities for physical education classes and curricular classes, FTU also has a gym for students and lecturers. Located on the third floor of Building G, the gym is an ideal location for lecturers and students to exercise

CANTEEN

The FTU Cafeteria provides lecturers and students with nutritious meals in various types. At the same time, the Cafeteria is also an ideal location for students to gather and group-work.

INFORMATION CENTER (IC)

The center has 200 computers connected to the Internet. The main activities of the center are: to edit and publish External Economics Reviews, to control and maintain the university's computer network, and to maintain an information resource for lecturers and students; to develop and maintain the university's website; to plan for E-learning and to organize computer-based exams for all students.

DORMITORIES

FTU has 3 dormitory buildings – 4 and 7 levels dormitory and one more in Quang Ninh Campus with modern facilities

RESEARCH EXCELLENCE

MEETING THE NEEDS OF INDUSTRY

FTU originates itself as a research oriented university. Research activities are promoted by the FTU Board of Governors and proactively participated by the FTU lecturers

FTU has successfully conducted a great number of research projects funded by the government of Vietnam and international organizations from all over the world from France, Germany, Australia, Russia, South Korea, Switzerland,...

FTU has transferred state-of-the-art management knowledge and models from practice oriented research to the public sector and business community

FTU is a member of regional and international training and research networks including ARTNeT, AIBEN, BAASANA, SALT, VI...

4 RESEARCH PROGRAMS - 25 RESEARCH GROUPS

#01.

REFORM OF SOCIO-ECONOMIC INSTITUTIONS FOR SUSTAINABLE DEVELOPMENT

- Reform of economic institutions for innovation and inclusive development : A micro level analysis
- Examining the impact of entrepreneurship education on students' entrepreneurial intentions

COOPERATION OPPORTUNITIES

International Universities

Degree

- Transfer: 2+2 or 3+1, students graduate with a degree from both universities (High-quality, Advanced)
- Joint program: 2+2 or 3+1, students graduate with a degree from partner university

Non-degree

- Exchange programs
- Summer school
- Short courses

Research

Continually promoting research, organizing forums, conferences, international academic seminars, receiving wide participation from scholars, professors, and researchers from all over the world

Educational Organizations

Collaborating to create educational programs for students

Foreign Corporations

Creating visiting, internship, and working opportunities for students

International Politicians/Experts

Inviting world politicians, and influential guest-speakers to hold talks and lectures for students

INDUSTRY PARTNERSHIPS

Constantly improving its strong point of an educational environment that is highly dynamic, creative, and active in engaging with the global society, Foreign Trade University is always working towards opening its relationship with investors, domestic and international businesses.

The University will assume cooperation with businesses in the following ways:

- # 1 Knowledge, management technology transference through short courses
- # 2 Program innovation to be more practical
- # 3 High-quality human resource provision to supply businesses' demands
- # 4 Sponsorship of scholarship and specialized, soft-skill training courses for students
- # 5 Sponsorship of scientific research projects, competitions, potential start-up projects by students
- # 6 Investment in upgrading infrastructure, equipment, and facilities for the university

SELECTED MAIN PARTNER BUSINESSES

STUDENTS' IDENTITY

DYNAMIC

FTU students' dominant traits are confidence and passion. With **38** clubs, in three main groups: academics, hobby, and activism, and about **40** competitions every year organized by the clubs, activities are vigorous amongst students

TALENTED

FTU students have national and international business-sponsored student helped students and supplied

participated in and won prizes. At the same time, -organized competitions have demands from businesses

HUMANITARIAN

Aside from the student's talent and dynamics, they are also marked by their humanitarianism, as expressed in numerous communal activities, volunteering events

New Student Welcoming Orientation
